

How much life insurance do you need?

Online insurance needs calculator: making tough choices easier.

When choosing the amount of coverage that's right for you and your family, it's important to think about the amount of money your family would need to maintain its lifestyle if your income were suddenly gone. How much would your family need to live comfortably without compromising your short- and long-term plans?

Minnesota Life's online **insurance needs calculator** can help you estimate how much insurance you may need to sufficiently provide for the well-being of your loved ones.
