

Black Heritage Celebrated With Talent Show at Ogeechee Tech

The students, faculty and staff of Ogeechee Technical College enjoyed an enthusiastic presentation of talent at the annual Black Heritage Talent show in the college auditorium on February 14th. A number of students and employees from OTC displayed their talents by performing in a program entitled, “Lift Every Voice and Sing: Celebrating Heritage with Voices.”

The musical program culminated with a performance by urban contemporary gospel artists The Wardlaw Brothers. The event was planned and presented by the “Celebrating Black History” committee and the OTC Student Council. Following the presentation, a luncheon was served courtesy of the Student Council.
